Mullica Hill Memorial Hospital Hosts Health Fair

:60

Mullica Hill Memorial Hospital will host a health fair on Saturday, Oct. 16, from 9 a.m. until 2 p.m. The event will be held at Gloucester County fair grounds. Free screenings such as vision, hearing, and blood pressure will be available. Also, check out our booths for information on diabetes, cancer, stroke, and heart disease. Don't forget to visit the wellness education center for a free fitness assessment and diet and nutrition counseling. Our experts will teach you how to live a healthy, active life, and they will show you how to monitor your success. Bring the whole family for a day of fun, food, and entertainment. This is an event you don't want to miss.
